Muhammad Ali Jinnah said

“My guiding principles will be justice and complete impartiality, and I am sure that with your support & cooperation, I can look forward to Pakistan becoming one of the greatest nations of the world.”

Welcome to 'LEADERS LAW COLLEGE'

Leaders Law College is the first class leading Law College of the country providing top notch gate way of success to the Law student in the field of Law. The college has seasoned and research oriented faculty attuned in imparting qualitative law and legal education to the Law aspirants.

The student at the college enjoys a culture carrying curricular and co-curricular activities leading to develop a confident personality towards a great and professional lawyer.

Leaders Law College is all focused to academics and practical training of the law students. The college premises is purpose built campus having spacious lawns and other facilities incidental to the concept of an ideal college.

Library is with 6000 hard books and 97,000+ E. books. The college academia believes in research, writing legal debates and allied areas of legal research and activities.

The most cherished part of the college culture is that we believe in the principle that 'we agree to disagree'. We believe that argument is the one of the way to bring the obscure facts in the light of reasoning.

We believe logical, analytical and critical way of learning is the best way of learning.

About Leaders Law College

Leaders Law College is one the best law college in town and originated in 2014. It is affiliated with the University of Punjab and offering LL.B 5 year's Annual degree program, we are committed to providing our students with the best legal education and possible experience; we continue to invest in both our facilities and our innovative approach to education.

Our students benefit from legal sector, relevant teaching experience, resources and support designed to help them succeed. Moreover range of variety of e-books, purpose built library and computing facilities to dedicated careers advice. Whether you have a passion for Law or any field, studying Law can help to sharpen the mind, build an analytical skill set and develop problem-solving abilities. We are a forward-looking to a modern university with a proud tradition as a provider of high quality education and a focus on applied research.

Our Aims:

Leaders Law College focused on their students to make them professional lawyers. To accomplish this goal, the College is struggling to provide an effective and best faculty to our students that can train students in legal analysis as well as oral and written skills of legal assistance. We are committed towards the following aims and objectives of the College:

- A foundation of skills, knowledge and versatility that will last a lifetime.
- Despite a changing environment; research-based teaching and learning.
- Critical inquiry in the form of the search for new knowledge and better understanding.
- An active development role in a culture, and also in an economic, political, scientific and social perspective.
- Addressing the challenges in a legal perspective and try to enhance our student's abilities to deal with the occurring issues and problem of the society.

Our Mission:

Our mission is to assure and enhance the quality of legal education to educate students of Leaders Law College with the blend of theoretical and practical knowledge through continues monitoring and ensuring transparency.

Our Vision:

Our vision is to provide recognition as a professional and legal qualified that strike a balance between theory and its practical application, and that maximize the great leaders and lawyers in our society.

CEO MESSAGE

MR. MUHAMMAD YUNUS

B.com, LLB, LL.M (UK)

Mr. Muhammad Younus is the Ceo of Leaders Law College. He is struggling to make Leaders Law College first class leading law college of Pakistan. His College has seasoned and research oriented faculty attuned in imparting qualitative law and legal education to the law aspirants.

He strongly believes that skill is the unified force of experience, intellect and passion. Legally skilled professionals are need of the day. At Leaders Law College we provide philosophical learning environment to build greatfuture lawyers and laureates of Pakistan. Our core values are honesty, research, new knowledge, persistent hard work and discipline.

He has confidence that education is for improving the lives of people and for leaving our community and world better than we found. At Leaders Law College, all the excellent paraphernalia and resources are provided to adequate the student with the latest legal knowledge and research.

PATRON IN CHIEF
M.ASAD MANZOOR BUTT
LL.B, LL.M (UK). ASCP

Leaders Law College is established in 2014, with a distinct goal of enriching our students with the right knowledge, abilities, and characteristics that groom and polish their talents in a multidimensional way. In order to realize our mission and goal, we have put in place a highly enabling culture and a very conducive environment for quality learning.

We are also very keen to observe our ethical and social values so that while education becomes a way of life, values must remain in focus. We seek to prepare a mindset instilled with the code of ethics and social norms that are universal and acceptable across cultures and communities.

We are proud of our graduates wherever they go. Many are leaders, legal consultants, job creators, experts, educators, and practitioners etc. with abilities to handle a variety of economic, political and social problems in a rapidly changing global society.

Join us to become the excellent deliberating legal brain of Pakistan.

PRINCIPAL MESSAGE
MR. RANA NAEEM SARWAR
LL.M,
University of South Asia

At the law college, we impart legal education on the principles of dialogue, research, argument and deliberation. We reep dedicated ourselves to meeting the needs of a multi-cultural group of highly talented students, emphasizing on an interdisciplinary approach to learning.

Nowadays there is a spread of knowledge worldwide; this however does not come with the corresponding understanding since the world lacks trust in its leaders and faith in its institutions. Being in a legal sector and affiliation with the college I stand committed to enhance, discover and transmission of the knowledge that will cultivate the education of the new generation of leaders, men and women, who will be capable of shaping the new century vision.

My role is to assist and support our students in achieving their academic, personal and professional goals by re-modeling a sense of community atmosphere that fosters learning and overall student development.

We work with students to providing them with a variety of experiences during their precious time in college. I welcome you to join the philosophical way of learning at ‘Leaders Law College’.
